Football

The '66 football squad fulfilled its season with a record of six victories and three defeats. Victories were plentiful and deserving. Defeats were disappointing, but team spirit still lingered. Our thanks to the fine team and the parents who made our season a great success.

Sirkka

Sirkka Sallila is North Lima's first foreign exchange student. Her presence among us was made possible through the help of our newly organized American Field Service Chapter, Student Council, Senior Class, P.T.O. and Ruritan Club.

Sirkka's home is in Toysa, Finland, where she lives with her mother, father, two sisters and brother. While in Finland, Sirkka attends Aivos High School. The high school enrollment is about seven-hundred students, much larger than our own.

One of Sirkka's favorite things is her American family, the Smiths. Mr. and Mrs. George T. Smith and family have provided a home for Sirkka, and made her a part of their family.

Although she has gone back to Finland, we all hope she will remember us because we, here at North Lima, will always have a special place in our memories for her; Sirkka Sallila our Foreign Exchange Student.

Student Council

Student Council was established to serve the student. Among its many projects this year, the most important has been to provide money for an outside tennis, volleyball, and basketball court.

YOUTH AND THE WORLD

"There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at a door,
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled, and gray,
It's a world that is being reborn every day."
